Actions of the EAEC European Coordination Office in different countries

The EAEC European Coordination Office is a National Support Office with a contact communication person connected with EAEC.

The contact is managing all the national request for support by the TASK-Force and will be organizing local Thematic Innovation Meetings. Supports communications with other EAEC European Coordination Offices in other countries and distribution of information both in English and in the local language, where necessary.

The ECOs send additional targeted reminders to national members alerting them about funding opportunities for their interest.

Organizations active in providing Consulting Business for EU funding cannot become EAEC Members but could be considered for membership to the EAEC Task Force.
